# TRAIL INFORMATION

**Snowmobiling, Skiing and all Winter Activities** are permitted throughout the National Forest except motor vehicles are excluded from the Beartooth Primitive Area and North Absaroka Wilderness.

**Trail ① Daisy Pass** – The shortest route to the high areas. Loop trail with the Fisher Creek Trail. Steep headwall on West side of Daisy Pass. Advised as one way from Daisy to Lulu Pass.

**Trail ② Fisher Creek** – Route to Fisher Basin Play Area and Lulu Pass. Several old mine buildings may be observed. AVALANCHE area in head of Fisher Basin near Lulu Pass. Beware of BLOWHOLES on the upper plateaus west of Lulu Pass.

**Trail ③ Goose Lake** – Route thru alpine conditions to Goose Lake. Trail generally over 10,000ft. elevation. Terrain rolling and not too difficult. Excellent viewing of Beartooth Primitive Area. Be prepared for sudden winter storms and WHITE OUT conditions. Deep snow depths at Goose Lake, Usually over TEN FEET.

**Trail ④ Lake Abundance** – Route from either Daisy or Lulu Pass across the head of Stillwater River to ice fishing Lake. Excellent scenery and play area in Stillwater Basin. Open meadow land over most of the route.

**Trail ⑤ Kersey Lake** – Trail thru dense forest to good ice fishing lakes. Generally good travel over gentle terrain. Do not violate PRIMITIVE AREA east of Rock Island Lake.

**Trail ⑥ Lady of the Lake** – Cross Country Ski Trail thirteen mile loop trail generally away from Snowmobile travel. Western leg uphill from Cooke City to White's Mill.

**Trail ⑦ Beartooth Highway** – Difficult cross country snowmobile run. Sixty five miles from Cooke City to Red Lodge. A local guide is recommended for this trip. Expert only advised.

**SEASON** While snow falls from October to June - best snow conditions for travel occur after February. Good snow conditions exist through June.
